

3º Encontro Nacional de Geodesia Aplicada
3rd National Meeting on Applied Geodesy

Lisbon • LNEC • 18 and 19 October 2012

Presentation

The 3rd National Meeting on Applied Geodesy (3rd ENGA) will gather researchers, professors, and experts interested in the different applications of the methods of Geodesy and will provide a forum for their dissemination and discussion. The Meeting welcomes contributions on applications of Geodesy in several areas, in particular: geodynamic studies; conversion data problems; displacement monitoring of both small and large structures such as dams, bridges, embankments, as well as underground or maritime works. The Meeting will also promote the dissemination and discussion of conceptual models, operative methods, measurement instruments such as conventional ones (optical levels, robotic tacheometers, etc.), GNSS, InSAR, Laser-scanners, optical fibres, etc., and also, of integrated alert systems.

Organization

The meeting will be hosted by the Applied Geodesy Division (NGA) of the Concrete Dams Department of the Laboratório Nacional de Engenharia Civil - LNEC (National Laboratory for Civil Engineering). The Organizing Committee will be chaired by the researcher of the NGA, Ms. Maria João Henriques.

Programme

The meeting will comprise several technical sessions for presentation of papers and various lectures delivered by experts on different themes.

Scientific Committee

The Scientific Committee of the Meeting consists of experts in the various subjects of the meeting and will be chaired by Mr. João Casaca, Senior research officer and Research Officer of LNEC in Applied Geodesy.

Venue and Date

The meeting will take place on 18 and 19 October 2012, at the Congress Centre of LNEC, Avenida do Brasil 101, Lisbon.

Registration

To register, please complete the form available on the website of the Meeting and send it by fax or email to the following address:

3º Encontro Nacional de Geodesia Aplicada
LNEC - Apoio a Organização de Reuniões
Av. do Brasil, 101
1700-066 Lisboa

Fax	Email
(351) 21 844 3014	enga@lnec.pt

Registration Fees

	Standard	Student
Until 15 September	80 €	40 €
After 15 September	100 €	50€

VAT included

The “standard” registration fees include the extended abstracts of papers in electronic format, coffee breaks and lunches (“work lunch”).

The student fees, lunch is not included, apply to undergraduate, Master’s or doctoral students aged up to 30 years inclusively. To benefit from this fee, it is necessary to submit a copy of the student card or equivalent with the registration form.

Papers

Extended abstracts (maximum six pages A4) will be accepted in Portuguese, Spanish, English or French. The texts will be reviewed by members of the Scientific Commission. The authors must pay attention to the following dates:

Submission	16 July
Notification to authors	2 August
Submission of the final document	10 September

If you have trouble in complying with these deadlines, please inform the Organizing Committee as there will be some flexibility with regard to these dates.

For receiving the paper template in English, please contact the organization (enga@lnec.pt).

Sponsorship

Sponsorships are accepted. For further information on this matter please contact enga@lnec.pt.
